WHOMSOEVER IT MAY CONCERN

This is to confirm that Mr. Santanu Chowdhury, CPR: 680222652, has been employed as a Project Engineer at Bahrain Bay Utility's Combined Utilities Plant operated & maintained by Veolia Energy Gulf W.L.L. under our Contractor, Saaj Technical Mechanical Contracting, from June 25, 2014, to the present.

During his engagement, Mr. Santanu has consistently showcased remarkable engineering skills, unwavering commitment, and a high degree of professionalism. He has been responsible for supervising various projects at our plant, ensuring their timely execution and strict compliance with quality standards. His technical proficiency, problem-solving skills, and keen attention to detail have greatly contributed to the success of our projects.

Mr. Santanu has been one of our key members amongst the evaluated maintenance teams, recognised for significantly enhancing the company's reputation for delivering superior services. His excellent teamwork, communication, and leadership abilities have earned him the respect and admiration of both his colleagues and our clients.

We fully recognize Mr. Santanu's exceptional contributions and wish him all the best in his future endeavours. Should you need any further information, please feel free to contact us during office hours.

Yours sincerely,

S.V. Kulkarni

Sandeep V. Kulkarni
Asst. Manager – Projects & Maintenance
